

SOARSUMMIT

Presented By

LODGING INFORMATION

The hotels listed below have been gracious to provide a dedicated block of rooms for SOAR Summit attendees. If a Book Directly link is provided, this allows you to reserve rooms directly from our block of rooms. If not, please call the hotel you wish to book.

As a courtesy, we have provided a Website link with each hotel. Please note that rooms available here will not come from the SOAR Summit pool of rooms and may not reflect any discounts being provided.

We have also provided links to Airbnb rentals in Pike and surrounding counties.
