Free for You

SOAR is partnering with Congressman Hal Rogers and the Congressional App Challenge to offer a dedicated space for high school students in the SOAR Summit Exhibit Hall.

What we're looking for

- Innovative student-led programs.
- Student-led business ideas, with an emphasis in tech.
- Collaborative initiatives improving student engagement, access, and outcomes.

Benefits

- Students and staff will receive complimentary Exhibit Hall space if selected.
- All registration fees will be covered, thanks to the generosity of the Forcht Group.
- SOAR will provide a financial stipend to the Congressional App Challenge winner from Kentucky's fifth congressional district.

October 3-4 | Corbin, KY
