SOAR SUMMIT 23

October 3-4 | Corbin Arena | Corbin, KY

CONGRESSIONAL App CHALLENGE

WANTED
Student Exhibits

SOAR is partnering with Congressman Hal Rogers and the Congressional App Challenge to offer a dedicated space for high school students in the **SOAR** Summit Exhibit Hall.

What we are looking for:
- Innovative student-led programs
- Student-led business ideas, with an emphasis in tech
- Collaborative initiatives improving student engagement, access, and outcoames

Benefits:
- Students and staff will receive complimentary Exhibit Hall space if selected
- **SOAR** will provide a financial stipend to the Congressional App Challenge winner from Kentucky's fifth congressional district
- Registration covers breakfast and lunch on both days, as well as snacks. Early registrants may be eligible for transportation vouchers to assist with travel expences.

Register here.
