

VISION 2 VENTURE

CULTIVATING ENTREPRENEURSHIP
IN THE CLASSROOM

presented by

SOAR

EntreEd
The National Consortium For
Entrepreneurship Education

- Learn how to infuse entrepreneurship into all classrooms using your existing curriculum.
- Participate in engaging activities with first-hand entrepreneurship experiences you can use in any classroom.
- You will leave with an action plan and prepare for the follow-up pitch competition to win money for your classroom.
