# Holiday Gift Guide

Your source for supporting locally owned and operated businesses that are *uniquely* Appalachia.

# Calling All Entrepreneurs in Eastern Kentucky

Just because you don't have a million-dollar marketing budget or an office in Silicon Valley doesn't mean you're not an entrepreneur. If you sell something at a store, from your home, or online — you're an entrepreneur. SOAR Innovation's mission is to help you be a *successful* one.
